NEW CHIREX LW35 DOMBAG ON WHEELS

The Chirex LW35 is a larger version of our popular LW27 Dombag with a built in frame with pullout handle plus a larger, lower storage area which will accommodate a dust extraction or spray drill.

- Red twist off pouches for soiled and contaminated instruments
- 4 deep internal compartments for disposables and creams etc.
- Rear pocket for diary storage
- Front pouch for felts, foams etc.
- Additional side storage

CLEAR ZAL BAC Complete Nail System

- Free from acid, oil, alcohol, lacquer and odour.
- Proven to kill 99.99% of the fungal bacteria and viruses that cause nail infections.
- Contains soothing properties of Aloe Vera.

BIOFREEZE

Pain relief that works

BIOFREEZE is the only analgesic with 'Ilex', a herbal extract from a South American holly shrub. The result is a deep long lasting pain relief period and acceleration of the basic healing process through relaxation of stiffness and aching muscles.

Simply instruct your patient to apply BIOFREEZE to the painful area 4 times a day; morning, early afternoon, early evening and prior to bedtime. In only 3 days most patients feel a substantial reduction in their pain.
